Date:

SCHOOL LEVEL EMERGENCY COMPLIANCE AND ASSURANCE FORM

By July 1 of each year, each LEA shall certify to the Board that the LEA Emergency Preparedness and Emergency Response Plan has been practiced at the school level, presented to and reviewed by its teachers, administrators, students and their parents, local law enforcement, and public safety representatives consistent with Section 53A-3-402(18) and R277-400. In an effort to ensure compliance, an individual report shall be completed for each school in each school district and every charter school. **Each report must be submitted to WCSD District office of Student Services**

School Name: Grades Housed: School District:

School Address: or Check Box if Charter School

- Emergency Preparedness and Emergency Response Plan has been practiced at the school level, presented to and reviewed by its teachers, administrators, students and their parents, local law enforcement, and public safety representatives? Yes Date No
- School has appointed a committee to prepare, modify or adjust existing plan to meet individual school needs and features, to satisfy this rule, to include Governmental agencies and bodies vested with responsibility for directing and coordinating emergency services on local and state levels? Yes No
- A copy of the plan has been sent to be filed in the LEA superintendent's or charter school director's office? Yes No
- Parents and staff have received written notice of relevant sections of the plan, applicable to the school? Yes Date No
- School Emergency Preparedness/Emergency Response week is designated prior to April 30th each school year? Yes Date No
- The plan contains measures that assure students receive adequate educational services and supervision during school hours? Yes No
- All school staff have been instructed that they are responsible to assure reasonable care and supervision of children until responsibility has been affirmatively assumed by another responsible party in evacuation procedures? Yes No
- School staff are instructed that the release of a child below ninth grade at other than regularly scheduled hours is prohibited, unless the parent or another responsible person has been notified and has assumed responsibility for the child? Yes No
- The plan contains measures to assure emergency preparedness training for students is age appropriate? Yes Training Date No

10. Fire Drills and Other Emergency Drills:

Elementary schools shall conduct fire evacuation drills **every other month** during school sessions.

Secondary schools shall conduct fire evacuation drills **once every three months** during school sessions.

All schools: the first fire drill shall be **conducted within the first 10 days of school**. On months when fire drills are not conducted, schools should conduct one of the following: shelter in place; earthquake drills; or lock down for violence.

Note: Schools that include both elementary and secondary grades in the school shall comply, at a minimum, with the elementary emergency drill requirements.
