When a patient has any concern about their care and safety in the SWUCHC, he or she is encouraged to contact our management. If the concerns in question cannot be resolved at this level, the patient is to be encouraged to contact the Joint Commission at (800) 994-9610.

Night, Weekend and Emergency Service

If you have a medical emergency,
call 911
or go to the Emergency Room
right now at
Dixie Regional Medical Center.

If you have an **urgent** medical problem
which you must speak with a medical
provider about after hours, call (435)
632-2027. Leave your name, telephone
number and a brief message. Your call
will be returned as quickly as possible.

If you have a non-urgent medical
problem (appointment changes, pre-
scription refills, etc.) after hours, please
call (435) 986-2565 and leave your
name, telephone number, and a brief
message. Clinic staff will contact you
during Health Center hours.
